I am a qualified and experienced immigration Solicitor (2009 admitted as a Solicitor in England and Wales) and an OISC registered immigration adviser. I gained my immigration experience at a large law firm specialising solely in immigration law and I also worked for a number of mid-size immigration firms as well as an Inhouse Immigration Manager for a large company.

In 2021 I established my own immigration practice, Thaxted Legal, registered and regulated by the Office of the Immigration Services Commissioner (OISC). I provide individually tailored and personalised immigration services to individuals and businesses. I am proud of the quality of my work and you can find my reviews on LinkedIn <https://www.linkedin.com/in/kasia-janucik>

I have considerable experience in personal immigration, predominantly spouse/unmarried Partner/Same Sex Partner visas (initial entry clearance, extension leave to remain and Indefinite Leave to Remain), applications for EU nationals/family members including the current Settled and Pre-Settled Status and EUSS Family Permits, applications for British Citizenship and applications to register children as British.

I have significant experience in business immigration, including applications for sponsorship licences and renewals of the licences, advising/training and managing immigration compliance for sponsor employers, Tier 2/Skilled Worker visas, Start

~~Up, Innovator, Sole Representative visas, Tier 1 Entrepreneur extensions and~~

Indefinite Leave to Remain applications.
