"Legal Group U.K. is people-focused. We want to make dealing with legal matters a less expensive and demoralising experience and more accessible and affordable." Knowledge is empowering - that's why through our site we offer helpful guides and graphics to the most frequently asked legal questions and issues, such as: What happens if a Will goes missing? How do I contest a Will? How do I register my Power of Attorney? What is the Office of the Public Guardian?...and many more. You can also get in contact however you feel comfortable - by phone or messaging. Talk to one of our phone advisors who will discuss your situation or query with you and help you find the right Solicitor. We will then arrange a call-back for you at an appropriate time.
