Established since 1995 in Horsham, Share Data provides a range of services for solicitors, executors, accountants and other financial intermediaries. Share Data has a considerable experience of investment securities valuations and provides prompt and fair valuations for all purposes – SIPP, Probate, Capital Gains Tax... We have developed our Valuation Service suite to comprehensively fulfil the need of all our clients: lawyers, accountants, first-time executors and other financial intermediaries. Share Data is committed to providing comprehensive services to help private individuals, unfamiliar with legal and administrative processes, as well as busy professionals.
