Niche employment law practice offering frank, honest, practical and pragmatic advice to both Employers and Employees across England, Scotland, Wales and Northern Ireland. We offer genuine no strings No Win No Fee representation, if required, where merits and value permit. We are the proud owners of the reknown website www.got-the-boot.com, a useful source of free information to all with a comprehensive online questionnaire for those wishing to submit enquiries for a free assessment. See what people say about us at www.solicitor.info.
