Established in August 2004, AlphaBiolabs is a Queen's Award-winning UK DNA, Drug and Alcohol Testing Laboratory. We are number one on the MOJ list of approved testing laboratories and as we have our own UK-based lab we provide the fastest DNA, drug and alcohol testing. We provide testing to the legal profession, in particular to family and immigration solicitors, social workers and local councils, corporations and members of the public throughout the UK. We have a network of fully qualified sample collectors who can take your clients test samples at any place convenient to your client. We also have created free walk-in clinics where you client can attend at get the samples taken for FREE – this could save up to £200 on the price of the testing. Not only that, but we will beat any like-for-like quote on our legal DNA, drug & alcohol testing. Now with NEXT DAY LEGAL DNA TESTING AS STANDARD. Don't wait for your clients test results! Call us today for your FREE no obligation quote
