Established in 2012, Blenheim has already gained the reputation for being an industry leader with a wealth of experience in all legal aspects of construction, from contract drafting to dispute resolution. Depending on the requirements of individual clients we can offer strategic advice from the outset with a view to avoiding a formal dispute, through an amicable resolution. Both solicitors and consultants at Blenheim have a profound understanding of the construction industry. Blenheim are renowned with unrivalled experience and expertise. Our experienced team of specialist solicitors and legal professionals have the knowledge and skills required to ensure economic and effective solutions. Based in the South East, our experience and connections enable us to offer the best value to our clients, whatever their needs. Whatever your legal requirements we have a legal professional available specifically matched to your requirements. Above all we offer transparent, clear and efficient advice. Our aim is client satisfaction and to create lasting relationships built on trust and dependability.
